→KOF
KOFF←

...Get
closer, boy.
I can barely
see you.

I'm right
here, Dad.

There's
that sneering
face I know all
too well.

I'm not
sneering.

You're so small, Yorik.
You should go running
with the gardener's boy.
He's got some *meat*
on his bones.

I feel like
I could snap
you in half with
my hand, and
I'm a *dying*
man.

HAHAHAH--

→KOFF
KOFF KOFF
KOFF←

You will keep the **Blood Laws**. You will keep those tainted with the magic wild of the world from mingling with and **tainting** the blood of our people.

In doing so, you will keep the old ways, and the old cultures alive. You do it in memory of our ancestors chased out of their homes by twisted weirdblooded monsters.

You will do it in memory of me.

Say you understand and accept.

Yes, Father. I understand and accept.

Basil. I want **double** the guards on his room tonight.

If we're lucky I'll pass tonight and we'll be done with this damned **ritual**, and I'll be free of this pain in me.

Otherwise, have the boy brought back to me in the morning, and I'll give my **last wishes** again.

Yes, Your Majesty. I will see to it.

Get the boy out of my sight, and bring me the **Bandaged Man**.

I SMELL TERRIBLE!

That smell's a point of pride.

That's the smell of an apprentice in the *Pipetown Engineer Corps*. It cakes on to you and you'll never be fully rid of it.

Breathe it in, Lass.

It's *still* pretty terrible.

Yes, dear, and we'd prefer everyone not vomit over their suppers now, wouldn't we? Go clean up and get ready for the dinner rush.

Oakley.

Tell Wynd not to run off tonight. I need to have a **word** with the both of you.

Okay?

You know the nights I tell you something and you **ignore** it and go off getting into trouble? This is **not** one of those nights.

I mean it, girl. The streets aren't **safe** for him right now.

Yeah, Mom. I've got it.

Wynd?

You smell *terrible*.

So do you!

I smell *regular person* terrible. You smell like somebody used you to clean a *toilet*.

I'm very proud of that smell. All the old fogeys upstairs told me so.

Mom says *family meeting* after the rush.

No spying on *gardeners*.

OAKLEY!

What? I know you. I know where you go.

You could *pretend*.

That wouldn't irritate you nearly enough.

DING!
DING!

Wynd.
Orders
building
up.

Yeah,
yeah...

I'm going to
take a *shower*
and try and smell
better.

Have *you*
heard of
showers?

Oakley.

I'm leaving!

Actually,
hey, can you
grab something
for me from the
store room?
Another slab
of butter?

'Course.

And they're sure?

Yes, Molly. They're saying he won't last a few more days. Maybe a week.

If it's going to *happen*, it needs to happen *now*.

I understand. There's...something else. A *favor* I'd like to ask--

We're not alone.

I'm sorry.

Keep those *ears* covered and get back up to work now, dear. I'll be up in a moment.

I'm going to have to get a *message* out. But I can't imagine transporting *three* would be any more difficult than two...

Good. When should I expect?

Tomorrow night.

That soon.

Alright, then.

I'll see you bright and early, Miss Molly.

Thank you, dear.

Really. Are you alright? All day you've--

I'm fine, love. Fine. Never you mind.

Okay, go get Wynd.

I'm here!

Yeah, Mom. He's right in *front* of you. Have you gone blind?

Oh, yes. There you are.

Tomorrow, I'm making a supply run down to **Southport** through the central transport pipeline. A night run.

A night run? Why--

Just let me get through this, Oakley.

Wynd, I'm going to need you to pack a **bag**. Bring only what you **need**. What you can carry easily and won't take up much space.

You're going to be coming with me.

What, is he going to use his **renowned** haggling skills to get you a good price on **pork loin**?

No, dear. I'm putting him on a boat to **Northport**.

I don't *want* to show people my ears!

I'm sorry, it's not *safe* for you here anymore. Much as I wish that wasn't the case. Much as I've *prayed* things might change.

It's going to get so much *worse*. Worse in a way I don't think either of you can *understand*.

The King calling the *Bandaged Man* down from the North. That's how it began *last time*.

He can *smell* the magic in a person's blood, Wynd. And he loves what he does...It's a *vendetta* of sorts.

They say his family was *killed* in one of the northern magic wars.

He didn't know whether it was the *Faeries* or the *Vampyres* who did it, so his hate turned to all *magic-blooded* people.

He became very good at *killing* them. Good enough to get the attention of the King.

"Before either of you were born, the *Duke* had been helping magic-blooded people settle in the *shadows* of Pipetown.

"He found them jobs and homes... Half-Faeries, Quarter-Vampyres, and anyone who had just been touched and changed by the *wild magic* of the world.

"The Bandaged Man found them *all*. Found every person who had helped them hide in the city as well...

"The Duke escaped to *Northport*, despite the King calling for his head...

"But the others..."

"I still remember the *bodies* piled on the sides of the road."

"And when I found you,
months later, on patrol 'round
the northern floodgates..."

"This beautiful child
with *pointed ears*..."

"It was *suicide* to take
you in, but I couldn't let
myself leave you to die.

"I'd sat back and watched
too much *death* already."

Wynd...

Mom.

You know I'm **right**, dear. He doesn't hear how the people still talk about the **weirdbloods**. You can't pretend you haven't heard the other engineers say **horrible things**.

You're too smart to be **blind** to all that.

It's not that. I want to know why we're just **sitting on our asses** in a kingdom where they'd just as soon **kill** someone we love! And when things get bad, we just **kick him out** and keep going.

There are **responsibilities** here, dear. You'll understand someday.

Okay.
I'm going to
say something
I don't want to
say. I don't even
a *little bit* want
to say it.

Then
don't.

Wynd.
She's *right*.

We *both*
know she's
right.

Oakley...

No, Wynd.
Listen...It's
dangerous--

YOU DON'T THINK I KNOW IT'S DANGEROUS?!

Wynd...

I can *hear* them through the spouts, Oakley. I hear them talking *every single day*, and I know what they think about people like me.

I know what they'd *do* to me if they had the *chance*.

They're *wrong*...

They're just *afraid* because they don't understand they don't need to be...

You don't *know* that! You don't know that you shouldn't be afraid...

My ears keep *growing*, and who knows what will happen to me next.

It'll keep *infecting* and *twisting* me from the inside out until I'm *something horrible*.

Something even *you* couldn't look at without being *afraid*.

You don't know that...

Magic spreads, Oakley! If I go out of Pipetown, where it's *wild* in the world, it's going to spread into *me*.

This...This *thing* in me. That makes my ears look like some kind of *freak* so I can't live a *normal life*.

That's what's wrong with me, Oakley.

It's a part of you...

I DON'T WANT IT TO BE A PART OF ME!

I WANT TO BE NORMAL!

All I want is to wake up one morning and have *small, normal ears*, and regular dreams.

Maybe I could even...*introduce* myself to someone like that boy at the castle. That *gardener*. I don't know his name.

Maybe...Maybe I could *ask* him his name. Maybe we could have a life together.

Wynd...

No, Thorn.
You should stay
awake.

Please.
Take a seat.

Dad,
are you
o--

That was
not a request.

->Ungh<-

**DON'T
YOU TOUCH
HIM!**

Then stop playing these little *games* with me, Ash.

I can *smell* it on you. The *stink* of magic.

If you lie to me again, I'm going to have to bring your son in for interrogation.

NO!

If you tell me the *truth* now, all of that can be *averted*. Wouldn't that be marvelous?

A Sprytle...

A Sprytle formed in the greenhouse...A plant had been neglected. It had gone wild.

And *who* would you say neglected it, Ash?

I did.

Dad, are you--

I'm *fine*, boy. I'm fine.

I...I've served the King *loyally* since I was your age. He knows that.

He...He *must* know that.

It's going to be *okay*, Dad.

Everything is going to be okay.

Most folks you meet, though, are just people.

They're nice as anyone else, just have a touch of the *strange* to them. A bit of the world *stuck on* where it shouldn't be.

'Course, there are *bad ones*, too.

Was doing a trade run down the *Old Road* from Northport, through the Faeriewoods, and there was this real *scoundrel* on the cart with us.

He'd sneak off the path at night to try and get some bits of *moss* to sell at the black market here in Pipetown, knowing it could get us all *killed*.

One morning he woke up and his right leg was **fully covered** in bark--more than bark, the whole leg was becoming a kind of **living wood**.

He had to convince us to chop the leg off to let him get back in the city, and we did it for him...

And sure as eggs, the next morning he had **flowers** sprouting from his ears.

He'd gone right back out while we were **sleeping**, the leg not even healed, and stumbled into a fresh patch of weird.

Left him at the side of the road, come to think of it, otherwise I doubt we'd've been let back in the city.

Weren't going to get us all **banished** on some weirdblood's behalf.

Why are you asking, boy?

WYND!

Oakley?
You're supposed
to be at--

I know. But I *heard* something.
Something that
could help.

Help what?

I promised you
I would find a way.
I know we don't
have much time...

But I think...
I think I might have
an answer.

Answer?

The answer.
A way to keep
my promise...

I don't--

You don't need to understand right now, but you will.

I'm going to tell my mom I'm taking a *double shift*, but that's a lie. I need you to follow the pipeline to *Mid-City* during the shift changeover.

Tell her you want the night off to pack. Can you do that?

I'll find you at the Key Junction under Oldtown. Under the *Great Temple*. Can you get there on your own, or do you need a map?

I...I think I can find it.

Okay. *Good*. I'll see you then.

What's *this* now, Molly?

Sorry, Henry. You know I *close* when I need to do a *restock* down from Southport.

Oh, what'd a few *beers* cost ya? I don't like the other taverns. They all give me the evil eye.

Maybe you've earned it, Henry.

I *have* earned it. But you still treat me sweetly.

Clearly I've treated you *too* sweetly. Go to the Drip Room. Tell Gordon to buy you a pint on me.

Will he listen?

Can't hurt to try.

You're late, boy. We were about to *leave* without you.

I doubt it. That'd mean Yorie would have to carry his own bags.

Thorn. If you ever leave me *waiting* like that again, I'm going to have you *hanged*.

I think you're plenty on your way to getting me hanged already.

It's *now or never*. Are you ready, boys?

Ready as I'll ever be.
Let's go.

TO BE CONTINUED...
