BOOK ONE

THE FLIGHT OF THE PRINCE

Hah,
I *knew*
it!

You slept in
again!

Whuh...

You missed
the *morning*
bell. C'mon,
you need
to get
dressed!

Get...
dressed?

Oh. Okay.

Keep this up
and Mom is going
to come down here
and serve *you*
for
breakfast.

I'm moving!

Look. I'm not going to leave for the day shift until you at *least* have pants on. Imagine if the entire waste system of *Pipetown* backs up.

All over a pair of pants.

I'm putting them on!

Okay, it's time to wake up for real.

I'm awake. Just had...a weird dream, is all.

Just trying to get my head straight.

That's your excuse every morning.

What do you even dream about?

YAWN!

Bad stuff, Oakley. Let's drop it, okay?

Like you said. Time to get to work.

I just wish you could come to work with me. I don't like leaving you here alone each day.

I don't want to be a part of the Engineering Corps.

I like smelling like *food*, not sewers.

You smell more like *grease*, but okay.

I *like* it here. I like *working* here. And I'm going to be here at the end of the day, like I always am.

I'm good, Oakley. I promise.

Your shirt's on backwards.

Maybe I *like* my shirt on backwards! Maybe it is my cool new look.

You're such a dork.

Make sure to keep these covered, 'kay?

I like Titus a bunch, but he's still new and he might not understand. Got it?

Yeah, I know.

Bye, Oakley!

BYE!!

Wynd, that you?

It's me, Titus!

First orders coming up in a minute.

Standing by!

Is that boy awake yet? I swear the entire *Engineering Corps* decided to stop in for coffee and bacon this morning.

I'm awake, Miss Molly.

You know, if you woke up a little earlier you'd be able to take a *shower*. Wash that unruly hair of yours...

Y'know. I saw him the other day, walkin' in to the castle gates.

A real look of *menace* to him.

What nonsense is this now, Henry?

The King's called back the *Bandaged Man* from Northport.

Brought 'im in to help weed out the *Weirdbloods*.

Don't know where he expects to find any. I remember the cullings when I was in the Corps.

The floodgates have stayed shut for a generation.

Only *pointy ear* I've seen is Patrick's, and that's 'cause he nicked it once with a bad haircut.

Hic!

You know some of the trade gates are sloppier than others. You know there's folk against the *Blood Laws*.

You're too smart, Molly. Too smart to pay them much mind. But we all know there's *weird* ones walking among us.

Ones with a bit of a *magic* to 'em. Not so much they can't hide it, but enough to infect the rest of us if they get out of hand.

We gotta be more vigilant. It's *good* the King brought the Bandaged Man back to Pipetown.

Hopefully it keeps the lot of them scared out of here.

You talk too much, Henry. And that hair of the dog is getting a little too hairy, if you ask me.

You should get home. Night shift will be back 'round before you know it. Get some sleep.

Aye... I should.

Just keep your eyes open, Molly. If the King is worried that something is afoot in Pipetown, we should be worried, too.

Keep the ones you trust close, and keep your eyes on everyone else.

I will, Henry.

Everything alright, Miss Molly? You have a look about you.

It's fine, Titus. Everything is fine. Where's the boy?

He took off after the morning rush, like he always does. He's always back around *noon* before folks come by for lunch. Always *blushing*.

Think he's got an eye on someone out there, Miss Molly. I keep trying to get it outta him, but he keeps his lips shut.

He in trouble? Is that it?

He's not in trouble.

Okay.

Seriously, Molly...What are you worried about?

Never you mind, Titus.

Never you mind.

Okay...
I know you're
out there.

You're not
going to skip
a nice morning
walk on a day
like this?

No, of
course you
aren't.

"Why, hello, Wynd. It's good to see you again! How was the morning rush?"

I barely screwed up any plates this time, Mister Gardener. Everyone got their breakfasts.

"Oh, I bet you haven't screwed up in months, and you're just being modest."

Why don't you come by for dinner, and maybe I can show--

mm mm mm

The Bandaged Man...

mm mm mm mm mm
...

Ey, Pop?
You in here?

Aye, son.
I'm here.

The Bandaged Man stopped me on my morning run...

Didn't know he was going to be coming back to the castle.

Yes, yes.
Very good.

No, Dad. His **voice** makes my skin crawl. You know that.

Hmm.

You're not listening to me.

No, boy. I'm not **acknowledging** you. There's a difference.

You need to learn to keep thoughts like this to yourself.

Could you imagine if **he** heard you talking like this? Or if you said something to the **Prince**?

I know better than that, Pop.

Good.

What are you looking at?

This back bush in the greenhouse here. It's been allowed to grow wild. Hasn't been a wild bush in Pipetown in a century.

If the King found out, he'd have my skin. It's been our family's job for generations to keep the greenery properly tamed.

To keep the **Sprytles** out.

Sprytles?

See it there? Small. Just a babe.

Don't let it touch you. It has an *innocent* nature, but should it take hold of you, it'd *twist* the blood running through your veins.

Taint you with its *weirdness*. Its *wildness*.

Its *magic*.

Young Master Cherrywood.

Heya, Basil.

Prince Yorik requests your presence in his quarters.

Yeah, okay.

Maybe a *shirt* first, boy.

What?

Oh.

All well here, Ash? Nothing *weird*?

Fine, Basil. All fine.

I think Thorn can find his way up on his own. Been walking these grounds longer than he's been talking.

Perhaps a bit *too* freely.

You're the one bringing him to the Prince's chambers. Not me. I won't have you giving me guff about our family's place.

That's not--

No matter.

Tell the boy I'll meet him in the *entrance hall*. Security in the castle is getting more rigid.

Aye.

Pop...

Be careful.

I know.

No, you *don't*. You're blinded by youth and loyalty and everything a boy your age should feel.

And maybe a little bit *more* than that.

Daaaad...

But a decade on, he'll be on that *throne* and you'll still be in these *gardens*.

Don't forget that.

I won't, Pop.

It's so quiet in here.

Yes... Given the King's *illness*, it's been determined that the *court* stay out of the castle.

I must admit, I miss the *music*...

Wait here a moment, I'll announce you to the Prince.

Yeah. Okay.

You came.

Yeah.

You have come to my *Den of Misery*.

So, it's one of *those* days.

It is *very much* one of those days.

I'm supposed to be in the throne room for the latest reports from the North.

But you're not going.

I could not be *less* interested in the latest reports from the North.

I don't think my body is *capable* of wanting anything less than sitting on that terrible little *throne* that makes my butt go *numb*.

Just to listen to my Dad *yell* at me for not wanting to burn the *Faeriewoods* to the ground.

He's always **horrible** when he's sick, and these days he's **sick** all of the time.

He just wants you to be ready to run the kingdom.

No, he wants me **afraid**. Afraid of every horrible thing that might happen if the **Blood Laws** aren't upheld.

And he's just terrified my **uncle's** going to come out of **hiding** in Northport when he hears he's sick. That he'll make a **claim** for the throne.

Northport's hundreds and hundreds of miles away, and anyway... You're **before** the Duke in the line of **succession**.

Don't **remind** me.

You seem more nervous than normal.

I am.

What is it?

I need to know if I can *trust* you.

What? Of course you can.

Thorn...

Not just in a *regular* way... I know this isn't like...a *normal* friendship. I don't get to have *normal*.

But I *trust* you and I *like* you, and I don't like or trust anybody *else*.

Yorie, I've never heard you talk like this.

I'm sorry... I'm not so good... at emotions.

The Bandaged Man. He's here because he heard about a *plot* in the North. A plot to get me out of Pipetown and off *Esseriel*. So when my father dies, the crown passes to the *Duke*.

That's what he's telling him in the throne room, *right now*.

How...how do you know that?

There's something I need to *talk* to you about.

And then I'm going to ask you the biggest *favor* anybody's ever asked you in your *life*.

TO BE CONTINUED...
